

Joomla Creative 2008 reboot!

Hey all! Happy New Year to all you joomlaers out there. We've decided to start the New Year with a bang and take the wrappers off our new look for 2008. We're still ironing out some of the creases on the new template (it's called jc_blossom - expect it to be available to purchase on special offer from this weekend.)

We've been busy making all round enhancements to our site in the past few weeks and are really excited about our plans for 2008.

Stay tuned for more updates coming soon!
